

Protecting those who matter most.

Through GuideOne's alliance with MinistrySafe and Abuse Prevention Systems, policyholders have access to tools and resources to help prevent sexual abuse and to aid in the protection of children and vulnerable people in their organization.

As a GuideOne policyholder, you'll receive \$100 off the first year's annual fee of \$250 for MinistrySafe or Abuse Prevention Systems. This discounted membership includes access to sexual abuse prevention training, sample policies and procedures, tools for monitoring and oversight, and more.

MinistrySafe and Abuse Prevention Systems include a 5-Part Safety System that covers:

- 1. Sexual Abuse Awareness Training:** Training that equips employees and volunteers with facts to recognize the offender's grooming process.
 - 2. Skillful Screening Process:** Process utilizing questions in the screening process (application, reference checks and interview) meant to elicit high-risk responses, and training to equip screening personnel to recognize high-risk indicators.
 - 3. Policies and Procedures:** Policies rooted in the grooming process and tailored to particular organizational needs.
 - 4. Background Checks:** Though not a stand-alone system, background checks access records regarding past criminal behavior, which allows an organization to evaluate an applicant's potential future behavior.
 - 5. Monitoring and Oversight:** Ensure sustainability ongoing safety system compliance.
